

Fortune Transportation, Inc. is a Minnesota based refrigerated truckload carrier in operation since 1980 by the Olson family. We operate a modern fleet of trucks/trailers with terminal operations in Minnesota, Colorado and New Mexico and run within a closed loop system from the Midwest to the Southwest and points in between.

Operating a fleet of 174 trucks, our trucks are equipped with the Omnitrac/XRS communication satellite technology, trailers equipped with the TGI trailer tracking technology, we operate a fully inte-grated TMS from TMW Systems, are hazmat certified and a SmartWay Transport Partner since 2007.

As we continue to grow our operations, we maintain a sense of family pride and look to establish long term relationships with our customers and our employees.
